JOINT PROXY STATEMENT

**For the Annual Meetings of Shareholders
each to be held on April 28, 2022**

This Joint Proxy Statement is furnished in connection with the solicitation of proxies by each Fund’s Board of Directors (each, a “Board,” and collectively, the “Boards,” with members of each Board being referred to as “Directors”) to be voted at the Annual Meeting of Shareholders of each Fund (each, a “Meeting,” and collectively, the “Meetings”) to be held in a virtual meeting format on Thursday, April 28, 2022 and at any adjournments or postponements thereof. A Notice of Annual Meetings of Shareholders and a proxy card (the “Proxy Card”) accompany this Joint Proxy Statement. This Joint Proxy Statement is first being mailed to shareholders on or about March 25, 2022.

The purpose of the Annual Meetings is to consider and act upon the following proposals (each a “Proposal”) for each Fund, as applicable, and to consider and act upon such other matters as may properly come before the Annual Meetings or any adjournments or postponements thereof:

Proposal 1: Election of Common Share Directors

FAX — To elect one Class I Director, to serve for a three-year term.

FCO — To elect one Class III Director, to serve for a three-year term.

IAF — To elect one Class I Director, to serve for a three-year term.

Proposal 2: To elect one Preferred Share Director

FAX — To elect one Preferred Share Director to serve for a three-year term by the preferred shareholders voting as a separate class.

Proposal 3: To consider the continuation of the term of two Directors for FAX, two Directors for FCO and three Directors for IAF under each Fund’s Corporate Governance Policies.

All properly executed proxies received prior to a Meeting will be voted at the Meeting, or at any adjournments or postponements thereof, in accordance with the instructions marked on the Proxy Card. Unless instructions to the contrary are marked on the Proxy Card, proxies received will be voted **“FOR”** each Proposal. The persons named as proxy holders on the Proxy Card will vote in their discretion on any other matters that may properly come before each Meeting or any adjournments or postponements thereof. Any proxy may be revoked at any time prior to its exercise by submitting a properly executed, subsequently dated Proxy Card, giving written notice to Megan Kennedy, Secretary of the Fund(s), 1900 Market Street, Suite 200, Philadelphia, PA 19103, or by virtually attending a Meeting and voting online. Shareholders may authorize proxy voting by using the enclosed Proxy Card along with the enclosed envelope with pre-paid postage. Shareholders may also authorize proxy voting by telephone or through the internet by following the instructions contained on their Proxy Card. Shareholders do not have dissenters’ rights of appraisal in connection with any of the matters to be voted on by the shareholders at each Meeting.

The presence at each Meeting, virtually or by proxy, of the shareholders entitled to cast a majority of all the votes entitled to be cast at the Meeting on any matter shall be necessary and sufficient to constitute a quorum for the transaction of business. For purposes of determining the presence of a quorum at a Meeting, withheld votes and broker ‘non-votes’ (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular Proposal with respect to which the brokers or nominees do not have discretionary power) will be treated as shares that are present at the Meeting.

With regard to Proposal 1 for FCO, the affirmative vote of a majority of the votes cast of common stock at a meeting at which a quorum is present is necessary for the election of a common share Director, provided that, for the Fund, if the number of nominees for Director, as determined by the Secretary of the Fund, exceeds the number of Directors to be elected, the common share Directors shall be elected by the vote of a plurality of the shares of common stock. Under a plurality vote, the nominees who receive the highest number of votes up to the number of Directors to be elected will be elected even if they receive less than a majority of the votes cast. With regard to Proposal 1 for IAF, the vote of a plurality of all the votes cast at a meeting at which a quorum is present is necessary for the election of a common share Director. Approval of Proposal 2 for FAX will require the affirmative vote of a majority of the shares of preferred stock cast at a meeting at which a quorum is present to elect the preferred share Director, provided that if the number of nominees for preferred share Director, as determined by the Secretary of the Fund, exceeds the number of preferred share Directors to be elected, the preferred share Directors shall be elected by the vote of a plurality of the preferred shares represented virtually or by proxy. With respect to Proposal 3, the vote of a majority of the votes cast at a meeting at which a quorum is present is required. For purposes of the election of Directors for FAX and FCO, withheld votes and broker ‘non-votes’ will not be counted as votes cast and will have no effect on the result of the vote. For purposes of the election of Directors for IAF, withheld votes will not be counted as votes cast and will have no effect on the result of the vote, but broker ‘non-votes’ will be voted “FOR” the Proposal.

Each Board has adopted certain corporate governance policies for each Fund which include (i) a resignation policy which generally provides that (notwithstanding the plurality voting standard for IAF) an Independent Director, in an uncontested election, who does not receive a majority of votes “FOR” his or her election at a meeting of shareholders shall be deemed to have tendered his or her resignation, subject to a Board’s acceptance or rejection of such resignation, which Board determination will be disclosed publicly to Fund shareholders; (ii) a policy requiring that after an Independent Director has served on the Board for three consecutive terms of three years following the later of (a) engagement of the existing investment manager of the Fund or (b) the Independent Director’s election to the Board, the Independent Director will be put forth for consideration by shareholders annually; and (iii) a policy whereby newly appointed directors will be submitted for consideration at the next regular shareholder meeting. With respect to clause (ii) above, Independent Directors currently serving on the Boards will be submitted to stockholders for consideration of continuation as a director on an annual basis beginning at the first annual meeting following the end of each such Board member’s three-year term in office after the end of such Independent Director’s current term.

If a quorum is not present virtually or by proxy at the time a Meeting is called to order, the Chairman of the Meeting may adjourn the Meeting. For FAX or FCO, if a quorum is present but there are not sufficient votes to approve the Proposal, the chairman of the Meeting or the shareholders entitled to vote at such Meeting present virtually, by a majority of the votes validly cast, may adjourn the Meeting to permit further solicitation of proxies on that Proposal. Absent the establishment of a subsequent record date and the giving of notice to the holders of record thereon, the adjourned Meeting must take place not more than 120 days after the record date.

We will admit to a Meeting (1) all shareholders of record on March 4, 2022 (the “Record Date”), (2) persons holding proof of beneficial ownership at the Record Date, such as a letter or account statement from the person’s

broker, (3) persons who have been granted proxies, and (4) such other persons that we, in our sole discretion, may elect to admit. If you hold your shares through an intermediary, such as a bank or broker, you must register in advance to attend the Annual Meetings. To register you must submit proof of your proxy power (legal proxy) reflecting your Fund holdings along with your name and email address to Computershare Fund Services, the Funds' proxy tabulator. You may forward an email from your intermediary or attach an image of your legal proxy to shareholdermeetings@computershare.com. Requests for registration for an Annual Meeting must be received no later than 5:00 p.m., Eastern Time, on April 22, 2022. You will receive a confirmation email from Computershare of your registration and a control number that will allow you to vote at the Annual Meetings.

Each Board has fixed the close of business on March 4, 2022 as the Record Date for the determination of shareholders entitled to notice of, and to vote at, each Meeting and at any adjournment or postponement thereof. Shareholders on the Record Date for each Fund will be entitled to one vote for each share held for their respective Meeting. As of the Record Date, the following number of shares of each Fund were issued and outstanding:

FAX had outstanding 247,695,768 shares of common stock, par value \$0.01 per share.

FCO had outstanding 9,220,688 shares of common stock, par value \$0.001 per share.

IAF had outstanding 24,149,126 shares of common stock, par value \$0.01 per share.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meetings to Be Held on Thursday, April 28, 2022 in a virtual meeting format. The Proxy Materials and each Fund's most recent annual report for the fiscal year ended October 31, 2021 are available on the Internet at <http://www.abrdn.com/en-us/ceinvestorcenter>. Each Fund will furnish, without charge, a copy of its annual report for the fiscal year ended October 31, 2021, and any more recent reports, to any Fund shareholder upon request. To request a copy, please write to the Funds c/o abrdn Inc., 1900 Market Street, Suite 200, Philadelphia, PA 19103, or call 1-800-522-5465. You may also call for information on how to obtain directions to be able to register to attend a Meeting.

Proposal 1: Election of Common Share Directors

Each Fund's bylaws provide that the Fund's Board be elected by holders of the Fund's common shares divided into three classes, as nearly equal in number as possible, each of which will serve for three years, with one class being elected each year. Each year the term of office of one class expires. Directors who are deemed "interested persons" (as that term is defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the "1940 Act")), of each Fund, the Funds' investment manager, abrdn (formerly "Aberdeen Standard Investments (Asia)") Limited (the "Investment Manager" or "ASIAL"), or, in the case of FAX and FCO, the investment sub-adviser, Aberdeen Asset Managers Limited (the "Sub-Adviser" or "AAML"), are referred to in this Joint Proxy Statement as "Interested Directors." Directors who are not interested persons, as described above, are referred to in this Joint Proxy Statement as "Independent Directors."

Each Board, including the Independent Directors, upon the recommendation of the respective Board's Nominating and Corporate Governance Committee, which is composed entirely of Independent Directors, has nominated the following individuals for election as common share Directors to its Board as follows:

Aberdeen Asia-Pacific Income Fund, Inc.	Stephen Bird (Class I Director, 3-year term ending 2025)
Aberdeen Global Income Fund, Inc.	Radhika Ajmera (Class III Director, 3-year term ending 2025)
Aberdeen Australia Equity Fund, Inc.	Moritz Sell (Class I Director, 3-year term ending 2025)

Each of the nominees has indicated an intention to serve if elected and has consented to be named in this Joint Proxy Statement.

It is the intention of the persons named on the enclosed proxy card(s) to vote “**FOR**” the election of the persons indicated above to serve as common share Directors. The Boards know of no reason why any of these nominees will be unable to serve, but in the event of any such inability, the proxies received will be voted for such substituted nominees as the affected Fund’s Board may recommend.

The Directors, including the Independent Directors, unanimously recommend that shareholders vote “FOR” the nominees as Directors.

Proposal 2: Election of FAX Preferred Share Director

FAX’s Articles Supplementary provide that the Fund’s preferred share Directors be elected by holders of the Fund’s preferred stock.

The Board of FAX, including the Independent Directors, upon the recommendation of the Board’s Nominating and Corporate Governance Committee, which is composed entirely of Independent Directors, has nominated the following individual for election as preferred share Director to the FAX Board:

Moritz Sell (Preferred Share Director, three-year term ending 2025)

It is the intention of the persons named as proxies on the enclosed Proxy Card(s) to vote “**FOR**” the election of Mr. Sell to serve as a preferred share Director for a three-year term. The Board knows of no reason why Mr. Sell will be unable to serve, but in the event of any such inability, the proxies received will be voted for such substituted nominee as the Fund’s Board may recommend.

Proposal 3: Consideration of Continuation of Term for Director under the Corporate Governance Policies

As stated above, the Board has adopted Corporate Governance Policies which include a policy requiring that after an Independent Director has served on the Board for three consecutive terms of three years following the later of (a) engagement of the existing investment manager of the Fund or (b) the Independent Director’s election to the Board, the Independent Director will be put forth for consideration by shareholders annually. Under the Corporate Governance Policies, Independent Directors currently serving on the Boards will be submitted to stockholders for consideration of continuation as a director on an annual basis beginning at the first annual meeting following the end of each such Board member’s three-year term in office after the end of such Independent Director’s current term. P. Gerald Malone and William J. Potter, with respect to FAX, FCO and IAF, and Moritz Sell, with respect to IAF, have each served out their term of office during which the Corporate Governance Policies were approved as well as a three-year term of office following that term. They each much therefore be put forth for consideration by shareholders annually pursuant to the Corporate Governance Policies.

Each Board, including the Independent Directors, upon the recommendation of the Board’s Nominating and Corporate Governance Committee, which is composed entirely of Independent Directors, recommends the continuation of the following individuals put forth for consideration under the Funds’ Corporate Governance Policies:

Aberdeen Asia-Pacific Income Fund, Inc.

P. Gerald Malone (Class II Director, 3-year term ending 2023)
William J. Potter (Preferred Share Director, 3-year term ending 2024)

Aberdeen Global Income Fund, Inc.

P. Gerald Malone (Class I Director, 3-year term ending 2023)
William J. Potter (Class II Director, 3-year term ending 2024)

Aberdeen Australia Equity Fund, Inc.

Moritz Sell (Class I Director, 3-year term ending 2025)
P. Gerald Malone (Class II Director, 3-year term ending 2023)
William J. Potter (Class III Director, 3-year term ending 2024)

If a nominee pursuant to Proposal 3 does not receive a majority of the votes cast on the terms set forth in FAX and FCO’s Corporate Governance Policies, the nominee will be deemed to have tendered their resignation for consideration by the FAX or FCO Board. If a nominee pursuant to this Proposal 3 does not receive a majority of the votes cast on the terms set forth in IAF’s Corporate Governance Policies, the nominee will be deemed to have tendered their resignation for consideration by the IAF Board. The Nominating and Corporate Governance Committee of each Fund shall make a recommendation to the respective Board on whether to accept or reject the resignation, or whether other action shall be taken. The respective Board(s) shall act on the resignation, taking into account the Nominating and Corporate Governance Committee’s recommendation, and shall publicly disclose its decision and the rationale behind it within 90 days from the date of the certification of the voting results. Each nominee will not participate in the Nominating and Corporate Governance Committee’s recommendation or the respective Board’s decision with respect to such nominee.

It is the intention of the persons named on the enclosed proxy card(s) to vote “**FOR**” the election of the persons indicated above to continue to serve as common share Directors. Each Board knows of no reason why these nominees will be unable to serve, but in the event of any such inability, the proxies received will be voted for such substituted nominees as the affected Fund’s Board may recommend.

The Directors, including the Independent Directors, unanimously recommend that shareholders vote “FOR” the continuation of the term of the Directors under the Corporate Governance Policies.

ADDITIONAL INFORMATION ABOUT THE DIRECTORS

Each Board believes that each Director’s experience, qualifications, attributes and skills on an individual basis and in combination with those of the other Directors lead to the conclusion that the Directors possess the requisite experience, qualifications, attributes and skills to serve on their respective Board. Each Board believes that the Directors’ ability to review critically, evaluate, question and discuss information provided to them; to interact

effectively with ASIAL and AAML, as applicable, other service providers, counsel and independent auditors; and to exercise effective business judgment in the performance of their duties, support this conclusion. Each Board has also considered the contributions that each Director can make to the respective Board on which he or she serves and to the Fund(s). A Director's ability to perform his or her duties effectively may have been attained through the Director's executive, business, consulting, and/or legal positions; experience from service as a Director of the Fund(s) and other funds/portfolios in the Aberdeen complex, other investment funds, public companies, or non-profit entities or other organizations; educational background or professional training or practice; and/or other life experiences. In this regard, the following specific experience, qualifications, attributes and/or skills apply as to each Director in addition to the information set forth in the table above: Mr. Bird, Chief Executive Officer of abrdn and prior Chief Executive Officer of other public companies; Mr. Malone, legal background and public service leadership experience, board experience with other public and private companies, and executive and business consulting experience; Mr. Miles, financial services, investment management and executive experience and board experience with various Australian public and private companies; Mr. Potter, financial services, investment management and merchant banking experience, executive and consulting experience, and board experience with public companies and non-profit organizations; Ms. Ajmera, financial background in fund management; and Mr. Sell, director and executive experience at an investment banking and trading firm and board experience with another closed-end fund outside of the Aberdeen complex.

Each Board believes that the significance of each Director's experience, qualifications, attributes or skills is an individual matter (meaning that experience important for one Director may not have the same value for another) and that these factors are best evaluated at the Board level, with no single Director, or particular factor, being indicative of Board effectiveness. In its periodic self-assessment of the effectiveness of the Board, each Board considers the complementary individual skills and experience of the individual Directors in the broader context of the Board's overall composition so that the Board, as a body, possesses the appropriate (and appropriately diverse) skills and experience to oversee the business of the Fund. References to the qualifications, attributes and skills of Directors are presented pursuant to disclosure requirements of the Securities and Exchange Commission ("SEC"), do not constitute holding out a Board or any Director as having any special expertise or experience, and shall not impose any greater responsibility or liability on any such person or on a Board by reason thereof.

* Retiring from the Board of Directors of each Fund effective April 28, 2022.

(1) This information has been furnished by each Director as of October 31, 2021. “Beneficial ownership” is determined in accordance with Rule 16a-1(a)(2) promulgated under the Securities Exchange Act of 1934, as amended (the “1934 Act”).

- (2) “Family of Investment Companies” means those registered investment companies that are advised by the Investment Manager or an affiliate and that hold themselves out to investors as related companies for purposes of investment and investor services.

As of March 21, 2022, each Fund’s Directors and officers, in the aggregate, owned less than 1% of that Fund’s outstanding equity securities. As of March 21, 2022, none of the Independent Directors or their immediate family members owned any shares of the Investment Manager or Sub-Adviser or of any person (other than a registered investment company) directly or indirectly controlling, controlled by, or under common control with the Investment Manager or Sub-Adviser.

Mr. Pittard and Ms. Melia serve as executive officers of the Funds. As of October 31, 2021, Mr. Pittard and Ms. Melia did not own shares of the Funds’ common stock.

BOARD AND COMMITTEE STRUCTURE

The Board of Directors of each of FAX, FCO and IAF is currently composed of five Independent Directors and one Interested Director, Stephen Bird. Neville Miles is retiring from the Board of Directors of each of FAX, FCO and IAF each effective at the conclusion of the shareholder meeting on April 28, 2022. Upon the retirement of Neville Miles, Stephen Bird will be reclassified from a Class II to a Class I Director and the Board will reduce by one member to five (5) Directors. Each Fund’s bylaws provide that the Board to be elected by holders of a Fund’s common stock shall be divided into three classes, as nearly equal in number as possible, each of which will serve for three years, with one class being elected each year.

The Boards of FAX and FCO have appointed Mr. Malone, an Independent Director, as Chair. The Board of IAF has appointed Mr. Miles, an Independent Director, as Chair. Upon the retirement of Mr. Miles as a Director of the Board of IAF effective April 28, 2022, the IAF Board has appointed Mr. Malone, an Independent Director, as Chair. The Chair presides at meetings of the Directors, participates in the preparation of the agenda for meetings of the Board, and acts as a liaison between the Directors and management between Board meetings. Except for any duties specified herein, the designation of the Chair does not impose on such Director any duties, obligations or liability that is greater than the duties, obligations or liability imposed on such person as a member of the Board, generally.

Each Board holds regular quarterly meetings each year to consider and address matters involving the respective Fund. Each Board also may hold special meetings to address matters arising between regular meetings. The Independent Directors also meet outside the presence of management in executive session at least quarterly and have engaged separate, independent legal counsel to assist them in performing their oversight responsibilities.

Each Board has established a committee structure that includes an Audit and Valuation Committee, and a Nominating and Corporate Governance Committee (each discussed in more detail below) to assist each Board in the oversight and direction of the business affairs of the respective Fund, and from time to time may establish informal ad hoc committees or working groups to review and address the practices of the respective Fund with respect to specific matters. The Committee system facilitates the timely and efficient consideration of matters by the Directors, and facilitates effective oversight of compliance with legal and regulatory requirements and of each Fund’s activities and associated risks. The standing Committees currently conduct an annual review of their charters, which includes a review of their responsibilities and operations. Each Nominating and Corporate Governance Committee and each Board as a whole also conduct an annual self-assessment of the performance of the Board, including consideration of the effectiveness of the Board’s Committee structure. Each Committee is comprised entirely of Independent Directors. Each Committee member is also “independent” within the meaning of the New York Stock Exchange (“NYSE”) MKT listing standards. Each Board reviews its structure regularly and believes that its leadership structure, including having a super-majority of Independent Directors, coupled with an

Independent Director as Chair, is appropriate because it allows the Board to exercise informed and independent judgment over the matters under its purview and it allocates areas of responsibility among the Committees and the full Board in a manner that enhances efficient and effective oversight.

Audit and Valuation Committee

Each Fund's Audit and Valuation Committee, established in accordance with Section 3(a)(58)(A) of the 1934 Act, is responsible for the selection and engagement of the Fund's independent registered public accounting firm (subject to ratification by the Fund's Independent Directors), pre-approves and reviews both the audit and non-audit work of the Fund's independent registered public accounting firm, and reviews compliance of the Fund with regulations of the SEC and the Internal Revenue Service, and other related matters. The members of each Fund's Audit and Valuation Committee are Messrs. P. Gerald Malone, Neville J. Miles, William Potter and Moritz Sell and Ms. Radhika Ajmera.

Each Board has adopted an Audit and Valuation Committee Charter for its Audit and Valuation Committee, the current copy of which is available on each Fund's respective website at <http://aberdeenfx.com>, <http://www.aberdeenfco.com> and <http://www.aberdeeniaf.com>.

Each Audit and Valuation Committee oversees the activities of its Fund's Pricing Committee and performs the responsibilities assigned to the Audit and Valuation Committee in the Fund's Valuation and Liquidity Procedures, such as overseeing the implementation of the Valuation and Liquidity Procedures. Each Board has delegated to its Audit and Valuation Committee the responsibility of determining the fair value of its Fund's securities or other assets in situations set forth in the Valuation and Liquidity Procedures.

Nominating and Corporate Governance Committee; Consideration of Potential Director Nominees

Each Fund's Nominating and Corporate Governance Committee recommends nominations for membership on the Board and reviews and evaluates the effectiveness of the Board in its role in governing the Fund and overseeing the management of the Fund. It evaluates candidates' qualifications for Board membership and, with respect to nominees for positions as Independent Directors, their independence from the Fund's Investment Manager and Sub-Adviser, as appropriate, and other principal service providers. Each Nominating and Corporate Governance Committee generally meets twice annually to identify and evaluate nominees for director and makes its recommendations to its respective Board at the time of each Board's December meeting. Each Nominating and Corporate Governance Committee also periodically reviews director compensation and will recommend any appropriate changes to the Boards as a group. Each Nominating and Corporate Governance Committee also reviews and may make recommendations to its respective Board relating to the effectiveness of the Board in carrying out its responsibilities in governing the Fund and overseeing the management of the Fund. Each Board has adopted a Nominating and Corporate Governance Committee Charter, a copy of which is on each Fund's respective website at <http://aberdeenfx.com>, <http://www.aberdeenfco.com> and <http://www.aberdeeniaf.com>. The members of each Fund's Nominating and Corporate Governance Committee are Messrs. P. Gerald Malone, Neville J. Miles, William J. Potter and Moritz Sell and Ms. Radhika Ajmera.

Each Nominating and Corporate Governance Committee may take into account a wide variety of factors in considering prospective director candidates, including (but not limited to): (i) availability (including availability to attend to Board business on short notice) and commitment of a candidate to attend meetings and perform his or her responsibilities on the Board; (ii) relevant industry and related experience; (iii) educational background; (iv) reputation; (v) financial expertise; (vi) the candidate's ability, judgment and expertise; (vii) overall diversity of the Board's composition; and (viii) commitment to the representation of the interests of the Fund and its shareholders. Each Nominating and Corporate Governance Committee also considers the effect of any relationships beyond those delineated in the 1940 Act that might impair independence, such as business, financial or family relationships with the Investment Manager or Sub-Adviser or their affiliates, as appropriate. Each Nominating and Corporate

Governance Committee will consider potential director candidates, if any, recommended by its Fund shareholders provided that the proposed candidates: (i) satisfy any minimum qualifications of the Fund for its directors; (ii) are not “interested persons” of the Fund, as that term is defined in the 1940 Act; and (iii) are “independent” as defined in the listing standards of any exchange on which the Fund’s shares are listed.

While the Nominating and Corporate Governance Committees have not adopted a particular definition of diversity or a particular policy with regard to the consideration of diversity in identifying candidates, when considering a candidate’s and a Board’s diversity, the Committees generally consider the manner in which each candidate’s leadership, independence, interpersonal skills, financial acumen, integrity and professional ethics, educational and professional background, prior director or executive experience, industry knowledge, business judgment and specific experiences or expertise would complement or benefit the Board and, as a whole, contribute to the ability of the Board to oversee the Fund. Each Committee may also consider other factors or attributes as they may determine appropriate in their judgment. Each Committee believes that the significance of each candidate’s background, experience, qualifications, attributes or skills must be considered in the context of the Board as a whole.

Each Fund’s bylaws contain provisions regarding minimum qualifications for directors. These include a requirement that, to qualify as a nominee for a directorship, each candidate, at the time of nomination, other than persons who were directors at the time of the adoption of the minimum qualifications, must possess at least the following specific minimum qualifications: (i) a nominee shall have at least five years’ experience in any of investment management, economics, public accounting or Australian business; (ii) a nominee shall have a college undergraduate or graduate degree in economics, finance, business administration, accounting or engineering, or a professional degree in law, engineering, or medicine, from an accredited university or college in the United States, Australia, the United Kingdom, Canada or New Zealand, or the equivalent degree from an equivalent institution of higher learning in another country; and (iii) a nominee shall not have violated any provision of the U.S. federal or state securities laws, or comparable laws of another country.

Each Fund’s bylaws also contain advance notice provisions and general procedures with respect to the submission of proposals, including the nomination of directors. Shareholders who intend to propose potential director candidates must substantiate compliance with these requirements. Notice of shareholder proposals must be provided to the Fund’s Secretary not earlier than the 150th day and not later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date of the preceding year’s proxy statement. Any shareholder may obtain a copy of the Funds’ bylaws by calling the Investor Relations department of abrdn Inc., the Funds’ investor relations services provider, toll-free at 1-800-522-5465, or by sending an e-mail to abrdn Inc. at InvestorRelations@abrdn.com.

Board Oversight of Risk Management

The Funds are subject to a number of risks, including, among others, investment, compliance, operational and valuation risks. Risk oversight forms part of each Board’s general oversight of the respective Fund and is addressed as part of various Board and Committee activities. Each Board has adopted, and periodically reviews, policies and procedures designed to address these risks. Different processes, procedures and controls are employed with respect to different types of risks. Day-to-day risk management functions are subsumed within the responsibilities of ASIAL, who carries out each Fund’s investment management and business affairs, and also by AAML, as applicable, and other service providers in connection with the services they provide to the Funds. Each of ASIAL and AAML, as applicable, and other service providers have their own, independent interest in risk management, and their policies and methods of risk management will depend on their functions and business models. As part of its regular oversight of each Fund, the respective Board, directly and/or through a Committee, interacts with and reviews reports from, among others, ASIAL and AAML, as applicable, and each Fund’s other service providers (including the Funds’ transfer agent), the Funds’ Chief Compliance Officer, and the Funds’ independent registered public accounting

firm, legal counsel to the Funds, as appropriate, relating to the operations of the Funds. The Boards also require ASIAL to report to the Boards on other matters relating to risk management on a regular and as-needed basis. The Boards recognize that it may not be possible to identify all of the risks that may affect the Funds or to develop processes and controls to eliminate or mitigate their occurrence or effects. Each Board may, at any time and in its discretion, change the manner in which it conducts risk oversight.

Board and Committee Meetings in Fiscal Year 2021

During the Funds' fiscal year ended October 31, 2021, the Boards of FAX, FCO and IAF each held four regular meetings. The Audit and Valuation Committee of FAX, FCO and IAF each held four meetings; the Nominating and Corporate Governance Committee of FAX, FCO and IAF each held three meetings; the Contract Review Committee of FAX, FCO and IAF each held three meetings; the Cost Review Committee of FAX, FCO and IAF each held one meeting; and the Leverage Committees of IAF and FCO held four meetings and the Leverage Committee of FAX held five meetings. During the fiscal year ended October 31, 2021, each incumbent Director attended at least 75% of the aggregate number of meetings of the Board and of Committees of the Board on which he served.

Shareholders who wish to communicate with Board members with respect to matters relating to the Funds may address their written correspondence to the Boards as a whole or to individual Board members c/o abrdn Inc., the Funds' administrator, at 1900 Market Street, Suite 200, Philadelphia, PA 19103, or via e-mail to the Director(s) c/o abrdn Inc. at Investor.Relations@abrdn.com.

Director Attendance at Annual Meetings of Shareholders

The Funds have not established a policy with respect to Director attendance at annual meetings of shareholders.

REPORTS OF THE AUDIT AND VALUATION COMMITTEES; INFORMATION REGARDING THE FUNDS' INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Each Audit and Valuation Committee has selected, and each Fund's Independent Directors have ratified the selection of, KPMG LLP ("KPMG"), 1601 Market Street, Philadelphia, PA 19103, an independent registered public accounting firm, to audit the financial statements of the Funds for the fiscal year ending October 31, 2022. Representatives from KPMG are not expected to attend the Meetings to make a statement or respond to questions from shareholders. However, such representatives are expected to be available by telephone to respond to questions raised by shareholders, if any, during the Meetings.

Each Audit and Valuation Committee has received from KPMG the written disclosures and the letter required by the Public Company Accounting Oversight Board ("PCAOB") regarding KPMG's communications with the Audit and Valuation Committee concerning independence, and have discussed with KPMG its independence. Each Audit and Valuation Committee has also reviewed and discussed the audited financial statements with Fund management and KPMG, and discussed matters with KPMG required to be discussed by the applicable requirements of the PCAOB and the SEC. Based on the foregoing, each Audit and Valuation Committee recommended to its Board that the Fund's audited financial statements be included in the respective Fund's Annual Report to Shareholders for the fiscal year ended October 31, 2021.

The following table sets forth the aggregate fees billed for professional services rendered by KPMG during the Funds' two most recent fiscal years ended October 31:

	2021			2020		
	FAX	FCO	IAF	FAX	FCO	IAF

Audit-Related Fees	\$ 0	\$50,000	\$ 0	\$ 0	\$ 0	\$ 0
Tax Fees(1)	\$ 7,980	\$ 7,980	\$ 7,980	\$ 7,720	\$ 7,720	\$ 7,720
All Other Fees	None	None	None	None	None	None

(1) The Tax Fees are for the completion of the Funds' federal and state tax returns.

For the fiscal year ended October 31, 2021, KPMG billed \$409,725 for aggregate non-audit fees for services to the Investment Manager and Sub-Adviser of FAX, FCO and IAF. For the fiscal year ended October 31, 2020, KPMG billed \$364,945 for aggregate non-audit fees for services to the Investment Manager and Sub-Adviser of FAX, FCO and IAF, as applicable.

All of the services described in the table above were pre-approved by the relevant Audit and Valuation Committee.

Each Audit and Valuation Committee has adopted an Audit and Valuation Committee Charter that provides that the Audit and Valuation Committee shall annually select, retain or terminate, and recommend to the Audit and Valuation Committee members of the Board and ratified by the entire Board, who are not "interested persons" (as that term is defined in Section 2(a)(19) of the 1940 Act), of the Fund for their ratification, the selection, retention or termination, the Fund's independent auditor and, in connection therewith, evaluate the terms of the engagement (including compensation of the auditor) and the qualifications and independence of the independent auditor, including whether the independent auditor provides any consulting, auditing or tax services to the Investment Manager or Sub-Adviser, if applicable, and receive the independent auditor's specific representations as to its independence, delineating all relationships between the independent auditor and the Fund, consistent with the Independent Standards Board ("ISB") Standard No. 1. Each Audit and Valuation Committee Charter also provides that the Committee shall review in advance, and consider approval of, any and all proposals by Fund management or the Investment Manager that the Fund, Investment Manager or their affiliated persons, employ the independent auditor to render "permissible non-audit services" to the Fund and to consider whether such services are consistent with the independent auditor's independence.

Each Audit and Valuation Committee has considered whether the provision of non-audit services that were rendered to the Investment Manager or Sub-Adviser, if applicable, and any entity controlling, controlled by, or under common control with these entities that provides ongoing services to the relevant Fund that were not pre-approved pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X is compatible with maintaining the principal accountant's independence and has concluded that it is independent.

Based solely on its review of such forms filed on EDGAR and written representations from certain Reporting Persons, the Funds' Reporting Persons complied with all applicable filing requirements in a timely manner during the fiscal year ended October 31, 2021.

ADDITIONAL INFORMATION

Expenses. The expense of preparation, printing and mailing of the enclosed proxy card and accompanying Notice and Joint Proxy Statement will be borne proportionately by each Fund. Each Fund will reimburse banks, brokers and others for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners of the shares of that Fund. In order to obtain the necessary quorum at each Meeting, supplementary solicitation may be made by mail, telephone, telegraph or personal interview. Such solicitation may be conducted by, among others, officers, Directors and employees of the Funds, the Investment Manager, the Sub-Adviser (in the case of FAX and FCO) or the Funds’ Administrator.

AST Fund Solutions, LLC (“AST”) has been retained to assist in the solicitation of proxies and will receive an estimated fee of \$4,400 (FAX) \$1,750 (FCO) and \$3,600 (IAF) and be reimbursed for its reasonable expenses. Total payments to AST are expected to be between \$5,000 and \$10,000.

Solicitation and Voting of Proxies. Solicitation of proxies is being made primarily by the mailing of this Joint Proxy Statement with its enclosures on or about March 25, 2022. As mentioned above, AST has been engaged to assist in the solicitation of proxies. As the date of the Meetings approach, certain shareholders of a Fund may receive a call from a representative of AST, if the Fund has not yet received their vote. Authorization to permit AST to execute proxies may be obtained by telephonic instructions from shareholders of a Fund. Proxies that are obtained telephonically will be recorded in accordance with procedures that management of each of the Funds believes are reasonably designed to ensure that the identity of the shareholder casting the vote is accurately determined and that the voting instructions of the shareholder are accurately determined.
